WHEN YOU FIRST MOVE-IN

Get to Know Your Home

When you first move-in, locate the breaker box and note the location of the Ground Fault Interrupt (GFI) breaker and the breakers for the stove/oven, water heater and air conditioner-heating system.

Locating The Water Shut-Off For The Home

The water shut-off valve is usually located in the front yard near the sidewalk or road and sometimes in a flowerbed around the perimeter of the home. Also locate the water shut off for the hot water heater and for under all sinks. Locating these items now may prevent or minimize water damage later.

GENERAL RULES AND REGULATIONS

Part Of Your Rental Agreement

This Tenant Handbook is part of your rental agreement.

The Home

You have rented a home so please care for it as your own. During the term of this rental agreement, you are responsible for the home and yard. Your obligations are similar to those of the owner, and you are expected to care for and maintain the premises accordingly.

Rental Payments

All rents are due and payable, in advance, on the first day of each month. Payment should be made in the form of a check, cashier check or money order made payable to:

**Real Property Management & Realty, Inc.
1151 N. Orange Ave.
Winter Park, FL 32789**

WRITE YOUR ADDRESS on your payment to assure proper credit. All accounting is done by address of the property. Also, to avoid any misunderstanding, please put your address on every correspondence with the office. Be sure to allow enough days when mailing your payment to assure delivery is made on time, as payment must be received on or before the 1st of every month. You may also make payments on line at our website www.rpmrealty.net.

You may also pay in person, Monday through Friday, 8:30am to 5:00pm. For your after hour convenience there is a drop slot, one located at the side door in the driveway.

(2)

Late rents are subject to additional late fees and tenant will also be responsible for the charges and fees incurred for the delivery of a *Three Day Notice*.

Any rents paid late must be in certified funds and all applicable late fees must be included with payment. No personal checks will be accepted.

Real Property Management & Realty reserves the right to refuse third party checks.

Returned Checks

The amount of any NSF checks, plus a late fee must be paid in either certified funds or money order within 24 hours of notification, or legal action may be taken without further notice. If the returned check makes your rent payment late, additional fees will also be due. All amounts due must be paid in full at the time of notification. If a personal check has been returned for any reason, all future payments must be made by certified funds.

Contact Phone Numbers And Email Addresses

All tenants are required to have telephone accessibility and to provide Real Property Management & Realty with their home, cell and work phone numbers. Please be sure to notify us when you change any of your contact numbers. A contact email address should also be provided. Please include your new home and work numbers with your first rental payment after you move in, or you may send it to us via fax or email. Please include your full name and address with the phone numbers so the correct information will be placed in your file.

Default of Rental Checks

Rent is due on the 1st day of each month. If the rent is not received as per the written lease agreement on when rent is due (regardless of holidays or weekends), tenant will be responsible for all fees, court costs, and legal and collection fees incurred by efforts to collect the rent due. If rent is paid while a legal action is in process, it must be in the form of certified funds. A separate written agreement must be reached if legal action is to be stopped.

60 Day Written Notice

A sixty day (60) written notice (prior to your rental agreement expiration date) must be given to Real Property Management & Realty if you do NOT wish to renew the lease for another 12 month period. THE WRITTEN NOTICE IS REQUIRED EVEN IF YOU INTEND TO VACATE AT THE END OF THE CURRENT LEASE TERM. The notice should state a definite moving date. Any change to your initial written notice (ie: Change of Move date) needs to be re-submitted in writing to assure we are able to accommodate the change.

Keys and Locks

Alterations or replacement of locks, installation of bolts, knockers, mirrors or other attachments to the interior or exterior of doors requires the written approval of Real Property Management & Realty and you must provide us keys to each lock on the home. **Real Property Management & Realty may access the premises and re-key any time access is denied, and**

(3)

charge the cost to the Tenant. All keys are to be returned to Real Property Management & Realty upon vacating the premises.

If mailbox keys are needed, they may be obtained from the local Post Office. A copy of your rental agreement may be needed to provide proof of residence.

Trash and Recycling

All trash and recyclable materials must be placed in appropriate containers. Real Property Management & Realty does not provide trash receptacles and/or containers. The tenant is required to make arrangements to have trash picked up weekly. All containers are to be stored out of view from the front of the house. Containers are not to be out of the storage area except on pick up days. Any recycling items collected must be properly contained and discreetly stored.

Condominium/Homeowner Associations

Tenant is responsible to obtain a copy of the condo or homeowner association, restrictive covenants or declaration and rules, in the event the rental premises are subject to the rules, regulations, covenants and restrictions of the condominium or homeowners association. Tenant agrees to abide by all applicable rules and regulations.

The lease is subject to the approval of the condo association or homeowners association and tenant agrees to pay any association application fees necessary for such approval (if applicable)

Should Real Property Management & Realty or the property owner receive notification from the COA/HOA of violation of the rules, regulations, covenants and restrictions the cause of which are the result of the tenants failure to maintain their rental home properly or any notice of violation, the cause of which is directly attributable to the tenants, the tenants guest or invitees, then the tenant(s) are responsible for the cost of curing any violation, legal and attorney fees, court costs, any and all fees, fines, penalties, the cost of travel and other incidentals such as photos, film, video tape, etc. or other costs that may be incurred by Real Property Management & Realty or the property owner.

Disturbances, Noise and Nuisance

All tenants and guests are expected to conduct themselves in a way that will not offend or disturb the neighbors or passerby. Any activity that causes extreme or excessive noise, traffic or disturbance of any kind may be cause for eviction. This includes loud, offensive music, vulgar or profane language, gathering in the driveway or front of the home drinking alcoholic beverages, etc. If music or other sound can be heard outside the perimeter of the premises leased, it is considered too loud.

(4)

Move-in Condition

When you rent a home from Real Property Management & Realty, we make every effort to see that all items are in good working order. Please report any maintenance issues within the first 3 days of possession. Please make sure you go through the home thoroughly and test all mechanical items to assure they are functioning properly.

Periodic Property Inspections

Real Property Management & Realty will conduct periodic inspections of the premises to note its condition. You will be notified of deficiencies, if any, that are tenant responsibility and you will also be instructed to correct the deficiency in a timely manner. Failure to correct deficiencies once you have been notified could be considered a breach of the Rental Agreement and grounds of termination.

Parking/Vehicles

All vehicles shall be parked in assigned areas (garages, parking lots, driveways, parking pads, etc.) or curbside on public streets where allowed by controlling ordinances. Parking on the grass, sidewalks and any other areas not specifically designated for parking is strictly prohibited. All vehicles must be registered, licensed and operable at all times. No vehicle repair is allowed at anytime. No oil/fluid stains are permitted on the garage floor, driveway, walkways or any other area on the property. If your vehicle leaks oil or fluids, place a protective covering or pan under the vehicle to catch leaks.

Guests

A reasonable number of guests may occupy the premises without prior written consent if stay is limited to 72 hours. Only those persons listed on the rental application have permission to occupy the premises. You are responsible for the behavior of any and all guests. All portions of this agreement also apply to your guests.

Emergencies

An emergency exists when danger is present or property damage has occurred or is about to occur. In many cases, what a tenant considers an emergency is not truly an emergency.

To report a emergency **only**, such as a fire to premises, major water intrusion, major electrical issues, please contact us at 407-967-9850 and leave a detailed message to include your property address, contact number and description of the emergency. All other non-emergency requests need to be submitted in writing or via the internet at www.rpmrealty.net click on **Tenant Service Request** and then fill out and submit the necessary form. Please remember to explain your problem in detail to avoid a delay in your request and always include telephone numbers and an email address when submitting your request.

If your emergency consists of fire or similar emergency, please notify the proper authorities by calling 911 before calling Real Property Management & Realty.

(5)

If there is a major water leak, immediately turn off the water supply to the premises and contact Real Property Management & Realty.

If there is a gas (natural, LP, propane, etc) leak, immediately turn off the gas supply valve and contact the gas company that provides service to your location, and then notify Real Property Management & Realty.

See Emergency/Disaster Procedures (page 20) for additional procedures.

Insurance

It is strongly urged that you obtain a renter's insurance policy. Tenant should understand that the Home Owner's property insurance does not cover tenant's personal property or protect tenant from loss or liability. Tenant is responsible for obtaining, and is strongly urged to obtain, renter's insurance to protect tenant's personal property against loss or damage.

Pets

No pets, animals, snakes or birds, etc. of any kind are allowed on the premises, regardless of whether such pet or animal is owned by tenant or guest, unless you have specific written permission from Real Property Management & Realty in the rental agreement (a pet addendum), and tenant has paid a refundable pet deposit.

Should Real Property Management & Realty find that a pet is being or has been kept on premises without the required permission and executed pet addendum, a pet fee will immediately be assessed and in addition, the non-compliance may be considered grounds for termination of the rental agreement.

Tenant will be charged for spraying for fleas and/or repair of any damage caused by pet. As a tenant, you must be responsible for your animal at ALL times. Having a **pet is a privilege and permission to have the pet on the premises may be revoked at any time without terminating your lease agreement.**

Smoke Detectors

Check to be sure the smoke detectors are operational upon move-in. Notify Real Property Management & Realty if you are not able to operate them. Please check the battery regularly and replace the battery as soon as it begins to lose charge. Disabling a smoke detector is a violation of your lease and the law. **DO NOT DISABLE THE SMOKE DETECTOR AT ANY TIME.**

Security/Alarm/Video/Television/Satellite Dish

Please make no additional or auxiliary security/alarm/video/telecommunication or satellite dish installation at the property without prior written permission. Any necessary written authorization must be provided for Management's approval with specific location of the

(6)

installation and name of the service provider. The security/alarm code is to be provided to Real Property Management & Realty within 48 hours of the activation of the system.

IN AND AROUND THE HOME

Circuit Breakers

Circuit breakers move slightly when tripped. It may appear to be ON when it has “popped” or “tripped”. The Ground Fault Interrupt (GFI) breaker or switch detects even slight voltage changes and cuts the power during fluctuations. They are usually located where a water source may be present, such as bathrooms, kitchens, exterior plugs and garages. If you lose power to a plug near a water source, it is usually the GFI circuit. Most GFIs located at the breaker box are marked with a red or yellow button. Many houses have the GFI at the top plug outlet. There may be more than one GFI plug in the house. If these “pop” or “trip”, reset them.

Pest Control

Please report a pest problem within your first 3 days of possession. If not reported in writing, it is agreed that the premises have no infestation of any kind. Any future infestation of any kind, less termites, is considered tenant responsibility. Tenant is responsible for reporting any suspected or known insect infestation. Real Property Management & Realty assumes no responsibility for the control of roaches, mice, rats, ants, fleas or other pests. Tenant will be charged for any damage caused by uncontrolled pests.

Painting, Decorating, Etc.

If you want to change the house décor in any way, please put your proposal in writing and submit it to Real Property Management & Realty along with a sample of the paint/wallpaper or drawing of the proposed work (e.g., adding a fence). If approved, you will receive written confirmation. All work tasks must be done by a licensed and insured vendor and the vendor must provide copies of their insurance documents. Tenants are not allowed to make alterations such as these on their own. All work must also be inspected and approved by Real Property Management & Realty after completion. Lastly, these changes or modifications are the tenant's responsibility. The cost(s) of returning the property to the original condition, if any, is the responsibility of the tenant.

MAINTENANCE, DAMAGE AND REPAIR

Maintenance Requests to be in Writing or submitted via our Website

You must always submit your tenant service requests in writing. Be specific about the problem. If you are not contacted by a repair person within 48 hours (not including weekends or holidays) after reporting a problem, please notify Real Property Management & Realty so we can follow up. You may fax your requests as well to (407) 897-3355.

Scheduling Maintenance

If you have contacted Real Property Management & Realty for maintenance and/or repair, you are responsible for scheduling any necessary service calls with the repair person once they have contacted you. Tenant is responsible for granting the vendor access to the premises. Real Property Management & Realty does not provide keys to contractors. Be polite to the repair person. The repair person is there to help solve your maintenance problems.

System Failures

All "breakdowns", system failures and structural defects must be reported to Real Property Management & Realty immediately. If an urgent repair is needed (i.e., hot water heater leaking), tenant is responsible for stopping further damage from occurring, if possible. If there is a leak, stop the water source immediately. If the problem is electrical, turn off the breaker serving that appliance or area until the repairman arrives. Real Property Management & Realty will arrange with vendors to make necessary repairs within a reasonable time. Tenant will not be reimbursed for any unauthorized repairs made.

Unauthorized Repairs

RPM must authorize ALL repairs and/or maintenance that the tenant requests. Please do not make any repairs or authorize any maintenance without written permission from Real Property Management & Realty. Rent cannot be withheld because of needed repairs nor can the cost of needed repairs be deducted from the rent.

Heating, Ventilating, Air Conditioning (HVAC) Systems

All HVAC filters need to be changed once a month. The A/C return vents should be kept clear of obstruction, such as furniture and clothing. Keep the "condensation drain line" clean and clear of obstructions. The area around the condenser (outside unit) should also be kept clear of grass, debris and other obstructions. Do not allow grass and weeds to grow up or around the condenser unit.

***Note:** An HVAC (AC) system failure **does not** constitute an emergency. Every effort will be made to get a service technician scheduled as soon as possible. However, if the problem occurs on the weekend or on a holiday, it may not be possible to have the unit serviced until the next regular business day.

Lawns and Grounds

Tenant is expected to care for the lawn and grounds, keeping them in as good a condition as when you took possession of premises. This care includes regularly cutting the grass; watering and fertilizing the lawn; trimming shrubs; edging all driveways, walkways and curbs; treating fire ant mounds; treating for lawn pests; treating for chinch bugs in St. Augustine grass. Keep shrub and tree growth away from the roof, eaves, and sides of the home. Tenant is required to report any condition which can cause damage, permanent or temporary, to the grounds.

Flowering trees must be pruned at the proper time of the year for their species and all flower/shrub beds must be kept free of weeds, grass, etc. Tenant must maintain mulch cover.

Lawn Irrigation/Sprinkler Systems

Any problems or repairs needed to the irrigation/sprinkler system must be reported in writing to Real Property Management & Realty within 5 days of taking possession of premises. If no notice is received, Real Property Management & Realty will assume that the irrigation/sprinkler system is in good working order and any needed repairs/maintenance will become responsibility of the tenant. It is the responsibility of the tenant to keep the irrigation/sprinkler system in good working order, including resetting the electric timer if necessary and replacing broken sprinkler heads. It is the responsibility of the tenant to comply with water restrictions for your area.

Plumbing/Septic Systems

Tenant is responsible for keeping all sink, tub/shower, lavatory and toilet drain lines open. Do not allow anyone to deposit anything into the plumbing system or to use it for any purpose other than for which it is designed. Sanitary products, diapers, diaper wipes, condoms, cotton swabs, coffee grounds, cooking fats or oils are not to be flushed down any toilet or otherwise deposited into the home sewer.

If your property is on a **septic tank** sewer system, in addition to the items listed above, do not flush wet-strength paper towels, facial tissues, cigarette butts, and other non-decomposable materials into the property sewer. These materials will not de-compose and will fill the septic tank and plug the system. Regular septic tank maintenance is critical to avoid blockage, backing up of waste into the property and responsibility for costly repairs. Tenant **must** purchase an appropriate enzyme product and flush into the functioning toilet, as directed on product.

Tenant will be responsible for any damage or stoppage unless it was caused by mechanical failure of the plumbing system.

Waterbeds/Flotation Bedding Devices

Tenant will be responsible for ANY damage caused by a waterbed or flotation-bedding device. Tenant will have a current waterbed/flotation bedding device insurance policy in effect during possession of waterbed/flotation bedding device.

Walls and Ceilings

Please keep the walls of the home clean and unmarred. You are welcome to hang pictures on the walls with appropriate picture hanging hardware. Do not paint or wallpaper without prior written approval of Real Property Management & Realty. All walls, baseboards and trim must be washed and ceilings must be dusted and free of cobwebs before vacating premises. If you are a smoker, you will be held responsible for any smoke/tar residue, odor and/or damage to the premises that result from smoking.

Vinyl/Ceramic Tile Flooring

With normal household use, vinyl floors may be washed with a solution of warm water and soap. Do not apply varnish, lacquer or shellac to the floor. Do not apply any type of wax to ceramic tile floors. Tenant will be responsible for damage to the flooring such as broken tiles, torn vinyl or improper cleaning procedures.

Hardwood Floors

Dry mop, sweep or vacuum floors regularly. Do not wet-mop wood floors. Standing water can dull the finish and discolor and damage the wood. Do not let any water drip, pour or accumulate on floors. Clean liquid spills with a dry cloth and sticky spills with a slightly dampened cloth. Do not use soaps, detergents or oil soaps on your wood floors. When mopping is needed, use a wood cleaner applied lightly with a cloth or mop and then buff dry. Tenant shall not shellac or refinish floors without management's prior written approval. Use fabric-faced guides under the furniture legs to prevent scratches. Do not drag or slide furniture across the floor. Tenant will be responsible for damage to the flooring.

Carpet Care

Routine carpet care requires a thorough vacuuming at least once a week to remove the soil from the carpet and to keep the pile erect. Heavy traffic areas require more frequent vacuuming. Before moving in, the carpets are professionally cleaned and you must have them professionally cleaned upon vacating. A receipt is required at the time the keys are returned.

Stoves

Do not use oven cleaner on self-cleaning or continuous cleaning ovens. For solid surface stoves, use only cleaners approved for those surfaces. Tenant will be charged for damage to an appliance caused by improper use or cleaning, or by lack of maintenance.

Dishwashers

The dishwasher should be used at least once a week. Seals may dry and the motor may be damaged by long periods of inactivity. Clean the door and check the bottom of the dishwasher after each use for items that may fall from the racks. Check the perimeter of the door for food items falling from the counter and make sure drains are clear of debris.

Garbage Disposals

Garbage disposals should not be used for bones, celery, onion skins, greasy items, pasta, rice or any other similar materials. **If the motor buzzes**, turn the switch off. Something may be jamming the blades. Verify that the object jamming it isn't something that shouldn't be placed in the disposal, such as a bottle cap or kitchen utensil. There is usually a reset button on the bottom or the side of the disposal (this is usually a small red or yellow button). Almost all disposal jams are from items put into the disposal.

Washer/Dryer Hookups

Check all hoses and washers to prevent or correct leaks. When installing a washing machine, use **"burst resistant stainless steel braided"** washing machine hoses only. If you are going to be absent from the property for an extended period of time, turn off the hot and cold water supply valves. Check the walls and floor by the washing machine monthly for evidence of leaks. Keep dryer vent and lint trap clear of lint or other build up as this can cause a fire.

Water Heaters (Gas/Electric)

If you have an **electric water heater** that is not functioning, you may want to check to see if the reset button or the breaker may have been tripped.

If you have a **gas water heater**, the pilot light may have gone out. Check manufacturer's instructions or contact the gas company.

CLEANING AND HOW TOS

Real Property Management & Realty diligently works to provide you with a clean, well maintained home with all the mechanical equipment operating properly. Proper cleaning and maintenance will keep the home and its equipment in good condition. A properly maintained home is a team effort involving the property owner who keeps structural and mechanical maintenance up-to-date; the Maintenance Department who keeps a record of necessary maintenance; and the Tenant who keeps the property clean, performs cosmetic maintenance and promptly reports any structural or mechanical failure to Real Property Management & Realty in a timely manner.

Cleaning Standards

1. Keep windows and storm doors clean, inside and outside; interior cleaning at least once a month, exterior cleaning every six months. Wash between windows and screens quarterly.
2. Clean dust, dirt and debris from the upper and lower sliding glass door tracks monthly.
3. Clean stove, drip pans, under drip pans, oven racks and drawer, broiler pan, hood, filter and vent biweekly.
4. Mop vinyl floors biweekly.

5. Dust baseboards, window sills, window grids, tops of windows, ceiling fans, doors, ceilings and corners of the room monthly.
6. Clean AC/Heat air return grate and change filter each month. (A good rule is when you pay your light bill, change your filter).
7. Clean and sweep out fireplace. Clean fireplace grate, screen and glass.
8. Replace burned-out light bulbs as needed, clean lighting fixtures as needed.
9. Blinds, if provided, should be cleaned or washed semiannually.
10. Bathrooms should be cleaned weekly. This includes toilet bowls and base, sink, mirror, floor, bathtub and shower (including walls). Wipe out medicine cabinet, drawers and cabinets.
11. Caulk tub as necessary.
12. Sweep out garage as needed.

Counter Tops and Cabinets

Always use cutting boards and hot pads when chopping, cutting or placing hot items on counter tops. Do not use abrasive cleaners on counters on counter tops as they will scratch. All cabinets must be vacuumed out and the drawer/door fronts cleaned before vacating.

Kitchen Appliances

Each kitchen appliance must be cleaned regularly including the stove hood vent, the filter in the stove hood vent, the oven, under the burners on the stove and the drip pans. Please do not put aluminum foil on the drip pans. Upon moving out, all drip pans must be replaced. Please clean the top and under the refrigerator and washer/dryer regularly. Not cleaning all these items regularly can cause excessive wear and tear, for which tenant will be responsible.

Fireplaces

If there is a fireplace in your home, do not burn pine or any other "sappy" wood. This causes a buildup of residue in the chimney and increases the possibility of fire. The fireplace is not a place to burn cardboard, holiday wrappings, pine needles, etc.

When using the fireplace in your residence:

1. Open the flue before starting the fire and keep it open until the ashes are cool enough to touch.
2. Close the fireplace screen or door when the fireplace is in use to keep sparks from flying out.
3. Do not put anything, including paper and kindling, closer than three (3) feet to the fireplace while it is in use.
4. Never leave a fire unattended.
5. Burn only dry, seasoned hardwood. Do not use green wood, treated lumber or painted wood.
6. Never use combustible liquids such as kerosene, turpentine, lighter fluid or gasoline to start or accelerate the fire.

(12)

7. Do not stuff scrap paper, gift wrapping paper or old holiday trees into the fireplace.
8. Do not use excessive amounts of paper or wood to create a roaring fire.
9. Do not dispose of burnt logs or ashes until they cool completely. Dispose of cooled ashes in a metal container. Usually, you can re-burn logs. If you must dispose of a log, wait until it is completely cool, then douse it with water and place it outside away from combustible materials.
10. Notify Real Property Management & Realty of any problems with the fireplace.

MOVING OUT

Written Notice

Before notice to vacate is accepted by Real Property Management & Realty, it **MUST** be put in writing or will not be accepted. The notice must include the date you plan on vacating the premises. This notice must not be less than 60 days before termination. Once Real Property Management & Realty receives notice from tenant, move-out procedures will be sent to tenant. Follow the move-out procedures to ensure the full return of tenant security deposit.

Move Out Procedures

Upon moving out at the end of your lease, it shall be tenant responsibility to:

- 1) Clean the interior and exterior of the house including all appliances and floors. This includes pulling out and cleaning under and behind the appliances.
- 2) Dispose of all garbage and trash.
- 3) Close and lock all windows and doors
- 4) The carpet must be cleaned by a professional cleaning company and provide a receipt when turning in keys.
- 5) Cut lawn, weed the flower beds, edge, and trim the shrubs.
- 6) Inform all utility services and postal services of the departure date and forwarding address.
- 7) TURN OFF YOUR ICE MAKER (IF APPLICABLE) AND EMPTY ICE BUCKET.
- 8) Pull main fuses or turn circuit breakers to an "OFF" position.
- 9) Turn in ALL keys on the expiration date and provide Real Property Management & Realty with a forwarding address.
- 10) The electricity and water must be left on for three days after vacating the premises so Real Property Management can inspect all electrical outlets, lights and appliances. Failure to do so will result in a charge against your security deposit for power turn on.
- 11) Real Property Management & Realty may be placing a "For Rent" sign on the property and showing the property for rent prior to the time you vacate the premises. Please be considerate when we request a convenient time to show the property.

Marketing During the Notice Period

After you have given notice that you intend to move, the property will be listed for rent. The most probable showing hours are between 9:00am and 6:00pm. Real Property Management & Realty will make an effort to accommodate your schedule, however, the property must be available and in good condition for agents to show. You will be notified prior to showing. If there is no answer or no answering machine, we will call your work number to give notice of a showing. Extra effort on your part is expected in keeping the house and yard neat and clean during marketing. Animals should be out of the way and litter boxes should be clean and odor free. The better a home shows, the more likely it will rent quickly. The faster a new resident is found, the less you will be bothered by showings. A home that shows well benefits everyone!

The Move-Out Process

Once the tenant has vacated the premises and the keys have been received by Real Property Management & Realty, we will begin the Move-Out process to determine and expedite return of the tenant's security deposit. Keys **MUST** be returned to Real Property Management & Realty and not left at the premises, per your lease agreement. Tenant is fully responsible for rents until the keys have been given to and received by Real Property Management & Realty. All utilities are to be left on for three days after your keys have been returned.

Breaking the Lease

If you default on your lease, you will be responsible for all costs incurred in securing a new tenant including but not limited to rental losses incurred as a result of tenant's default. If you find you must move before the end of your lease, we will market the property promptly, providing that you have given the required 60-day written notice. You must continue to pay the monthly rent each month until the property is re-rented or your rental obligation ends, whichever comes first.

Forfeiture of your security deposit does not excuse you from other obligations of the rental agreement. You must follow all procedures for marketing, cleaning and move-out. The most common charges for breaking a lease are:

- a. A re-leasing and/or breaking lease fee.
- b. Rent until the new lease takes effect.
- c. Lawn maintenance (you need to arrange for that before leaving)
- d. Utilities (keep them on in your name until notified of a new tenant)
- e. Advertising

Return of the Security Deposit

THE SECURITY DEPOSIT MAY NOT BE USED FOR ANY RENT DUE. The security deposit will be refunded within 30 days of your move-out and return of keys and garage door openers if applicable. Return of the Security Deposit is subject to the following provisions:

- f. Resident has given sixty (60) days written notice prior to vacating. The full term of the Agreement has expired and tenant has complied with all other provisions.

(14)

- g. All charges due including rents and fees, maintenance or repair costs that are a tenant obligation, utility costs that are the tenants obligation and any other fees or charges that may be required to be paid by tenant have been paid in full.
- h. No damage to premises or its contents beyond normal wear and tear is evident. All walls are clean and unmarred. Tenant understands that any expenses incurred to return premises to the same condition as when tenant moved in, allowing for reasonable wear and tear shall be paid by tenant.
- i. The entire dwelling, including but not limited to carpets, bathroom and fixtures, floors, windows inside and out, window blinds, ceiling fans and light fixtures, all appliances, closets and cupboards are thoroughly clean and free of insects.
- j. All debris, rubbish, and all personal property has been removed from premises and disposed of properly.
- k. The HVAC system has been left clean and in satisfactory condition and the filter has been changed.
- l. The lawn has been cut and edged, shrubs have been trimmed and debris properly removed from premises

EMERGENCY/DISASTER PROCEDURES

Make Your Plan Now

The key to safely and properly handling any emergency/disaster is pre-planning and staying calm during and after the event. Being prepared is every individual's responsibility. Don't rely only on the authorities. Advanced planning allows for fewer mistakes and greater safety for you, your family, and the home you are caring for.

Hurricane/Tornado/Storm Watch/Storm Warning

When living in Florida, the chances of experiencing a hurricane, tornado or heavy storm are always possible. It is important to know and follow proper procedures to safeguard yourself and the property you live in and minimize potential risk and damage.

A Hurricane/Tornado Storm Watch is when Hurricane/Tornado are possible in the specified area of the watch, usually within 36 hours.

A Hurricane/Tornado Storm Warning is when Hurricane/Tornado conditions are expected in the specified area of the warning, usually within 24 hours.

What You Do

Everything an owner would do to protect the property, the tenant is expected to do. The first priority is to stop additional damage. We have many thunder and lightning storms, power outages and high winds. An emergency can happen at any time. Be prepared.

Because we get advance warning for Hurricanes/Tornados, many people choose to leave town. If you leave, you still must secure the property prior to leaving.

DISASTER PROCEDURES

Have an emergency preparedness plan, a checklist and storm kit. Stay tuned to the local news media and follow all recommended precautions and instructions. During the storm or before leaving, please be sure to:

1. Turn off main breaker to house
2. Turn off main gas line to house (Call power company for instructions)
3. Turn off main water supply to house
4. Take all recommended precautions by the local news media and storm bulletin publications. Do not put tape on the windows!
5. Secure your pets, inside. If it is not safe for you outside, it is not safe for your pets either. If you are leaving the property, do not leave your pets behind.
6. Secure all outside items. Bring in the swing sets, play houses, small planters, anything that could turn into a flying object during high winds.
7. Secure house against damage. Follow all recommendations by the local news and the emergency preparedness teams for your area.
8. Make sure Real Property Management & Realty has a key for your home.

TENANT IS RESPONSIBLE FOR SECURING THE HOME AGAINST POSSIBLE DAMAGE. EVERYTHING A HOMEOWNER SHOULD DO, TENANT IS EXPECTED TO DO.

NON-DISASTER PROCEDURES

(i.e. Kitchen Fire, Water Pipe Burst, Hot Water Heater Burst, Tree Falls on House)
Upon first occurrence or discovery of problem, secure from further damage immediately. Following is a summary of what to expect. Please post this note in a visible place. If any of these actions do not occur, notify the office immediately. Keeping everyone on schedule is a cooperative effort, and you are part of the team.

Tenant Responsibility

Take steps to prevent additional damage immediately.

- Turn off the source of water or electricity or gas, as the situation demands.
- Notify Real Property Management & Realty, if it is after hours use emergency line.
- Make claim on Tenant's insurance for personal belongings.
- Notify Real Property Management & Realty of tenant's insurance coverage.
- Provide emergency (police, fire, etc) report to Real Property Management & Realty within 5 days of the incident.
- Provide access for insurance, repair people, etc. to access and repair damage.
- Notify Real Property Management & Realty of delays or problems with repairs.

Tenant is responsible for any loss to the owner due to tenant negligence.
